# CROSS FIRE

## HOW TO PLAY..

- Insert coin(s), military targets and penalty targets appear randomly on the screen and the timer resets to '100'.
- The military targets have four different values: TANKS (200), TRUCKS (400), JEEPS (600), and MOTORCYCLES (800). These targets move right to left and left to right.
- While carefully avoiding the STRETCHER-BEARER and AMBULANCE penalty targets, press the trigger button on the bazooka handle and shoot the military targets. The player is penalized 200 points for each penalty target hit.
- Game is over when timer reaches '000', but playing time is extended when score reaches 12,000.

## FEATURES..

- Previous High Score feature keeps the day's high score on display for all to challenge.
- Solid state circuitry for dependable trouble free operation.
- Authentic sounds of bazooka fire, explosions when a hit is made and also realistic engine sounds and ambulance sirens.
